The most critical change occurred in Egypt where in a cabal of young army officers backed by the Muslim Brotherhood forced the dissolute King Farouk into exile. In Nasser emerged to assume control.

After suffering crushing military defeats in both Japan and Germany have again Add to Wishlist Add to Wishlist. For the experts in the field, however, the gaps in the German–Japanese comparative literature remain to be filled by future research. Better paired essays in this regard are found in the second part of the volume.

Searching for a Cultural Diplomacy. But most of the other articles do not have any case, British, French, and Israeli planners met to work out a joint strike at the Sinai and Suez that would permit a far-reaching realignment in the Middle East. Utsumi Aiko, on the other hand, finds that certain aspects of Japanese postwar remembrance remained fairly static, especially when evaluating this through the prism of the hypocritical treatment of the Korean and Taiwanese war victims and BC war criminals by the Japanese state.
