Murk's hoped-for scientific coup when he saw the ship the old man had chartered strangely like a pirate vessel. This book would be a great way to begin students talking about why we use proper English in school and how that might be different from what we have heard or what we use elsewhere it sounds more professional and it links us all together to have a standard. The transgenic goats are very similar to regular goats, but their body produces extra spider silk proteins in their milk.
