Take mental note of your space. Map it out, draw it out whatever you need to do, but ensure that you get to a point where everything has a set place. I am always on him about his cluttered desk since it's in the same room as mine lol.

My approach to managing digital photos is to purge everything without doing a

Just re-read this article for the nth time and again am inspired! The biggest one for me is definitely to keep surfaces clear. To begin decluttering, you need to make some hard decisions about what items are practical necessities, what items are emotional necessities, and what items are just plain trash.

Each item in every room was placed into one of the four categories. No more fumbling with two boxes with you and a trash bag.
