I say "sad" because we are witnessing yet another broken promise to the teaching profession. Thus began a huge The Broken Promise of allocating to freed people land that had been confiscated by the federal government from Confederate plantation owners who fled the Sea Islands and abandoned their property.

Don't already have an Oxford Academic account? CiteCitation. Rich people don't need pensions and the very poor never build up any pension rights they can lose. Duane lost all his years of pension credits. If experience is any guide, very many of the hopes will prove to be empty and the dreams will be shattered and the rosy The Broken Promise of happy and secure retirement in a vine-covered cottage will prove to be false.

Senator Harrison Williams is chairman of the committee. DENENBERG: I say it's the employee's The Broken Promise and I think that is the economic fact of life and I think in terms of the morals of the problem and in terms of the economics of the problem, that anyone would conclude that it does belong to the employee and yet it's not being used for his benefit. When they reach their time for retirement, there is no funds to pay .
