My plan is to rob a bank and leave the country quickly; What are your plans for tomorrow? If everyone follows this plan, we will succeed; I have worked out a plan for making a lot of money.

References in classic literature? I sublet my apartment and temporarily moved. The Municipal Plan proposes a policy for the development of the city towards the distant future. National Planning Strategy Introduction At the end of October the National Planning Agency was entrusted by the Minister for the Environment and Natural Resources to commence work on a national planning strategy. The aim of the framework is to coordinate transport plans, regional plans, national plans, and the student acquires knowledge and understanding of the main building materials and their behavior in their use in landscape building-technology.
