Another essay argues that the U. In Mussolini's Italy, in Nazi Germany, in communist East Germany, in communist China - in every closed society - secret police spy on ordinary people and encourage neighbours to spy on neighbours.

This section will outline the ways in which this discourse has been used. Dissent from the Homeland begins a new evaluation of how Americans think about September 11, and its aftermath. One was the use of historical parallels in framing the threat from Iraq, the second was the exteriorisation of terrorism, and the third was the suggested links between Saddam Hussein and terrorism. Thugs in America? To see what your friends thought of this book, please sign up. Bush has vowed to .
