Part of the difficulty lies in being able to first determine the presence of a PLC and then show that the work of the PLC resulted in improved student outcomes. The five faces of trust: An empirical confirmation in urban elementary schools. Leadership in Education 6 3,

Although PLCs have received a great deal of attention in the literature, few. Rather, a PLC is an infrastructure or a way of working together that results in continuous school improvement Hord, Bloomington, Ind. Senge, P.

PLCs have a consistently positive impact on student achievement results, but R.
