Explorations by early navigators, descriptions of the islands and their peoples, their history and records of the catholic missions, as related in contemporaneous books and manuscripts, showing the political, economic, commercial and religious conditions of those islands from their earliest relations with European nations to the close of the nineteenth century. This privilege of the Mestizo Chinese, which was granted by the Pope had this object in view: The increase of this race, which is the race considered to be the most industrious.

TheHarvestStoyVol. In all else the governors shall see that the chiefs are benefited justly, and the Indians shall pay them something as a recognition, as they did during the period of their paganism, provided this is without prejudice to the tributes that are to be paid us, or to that which pertains to their encomenderos. How the crisis defeated the cultural consumption in Spain. About this Item: Corgi,
