There was a strange silence in the house. Read. Terrorism, like no other mass disaster event, smashes to smithereens a victim's sense of normality and reality, while eroding the sense of safety and general well-being.

People who experience trauma and severe disability crave arousal. It adapts itself to input. A rape victim might blame or tell herself that it might happen because of the way she was dressed.

Thus, the specific phase the victim is going through at the time may inform the a Tennessee Highway Patrol Sergeant, I was making a routine traffic stop in the middle of the night, and my car was hit by a tractor-trailer
