What may be most surprising about this story is who is dying - and the profile might not be what you expect. I hope he was able to straighten up his life, and I hope she was able to build a relationship with her other son. What hasn't changed, except for There Is No Hero In Heroin worse, is the need for expanded social and treatment services to assist impoverished drug users with poor education and meager job experience or skills, to reduce the harms associated with decades-long dependence on heroin, cocaine and crack, as well as other health risks see Singer [51] and Chien et al [52] for a discussion about why it is easier to get drugs than drug treatment in the U.
