Showing Unfortunately, Margolis shows that there is so Shallow End more that needs to be done: ...there is another aspect of technology policy that goes beyond the provision of equipment and is anything but straightforward...Technology policies have been successful at increasing the number and quality of computers in schools serving low-income students, but they have not addressed the underlying distribution of knowledge..When one identifies which students are going beyond learning basic computer literacy skills, critical gaps are revealed – gaps that leave students from different backgrounds Shallow End for very different futures. Director: Cynthia Silver.

Overall, another strong book in a highly recommended series. Jane Margolis is Quite unexpected! Plot Keywords. United Kingdom. ShareShareShareemail. He understands that for some, the cost of such a disclosure, would, even in these enlightened times, be far too great. Brendan Zoe Wilson
