Login to view premium data. As you move the mic further away from the grill, the tone changes from a very dry, focused and non-reverberant tone, to a more natural and ambient sound. Orderbooksandtranscriptionsineasy-to-downloadPDFform. Solet's get in. The method you choose depends on a number of factors. If you want to preserve the human element of your performance, try and keep editing to a minimum.

If you want to preserve the human element of your performance, try and keep editing for any reason, or even no reason at all you decide this course isn't helping you reach your goals on the bass, you can send an email and I'll refund every penny immediately. Then we'll explore another end of the spectrum by learning how to play powerful ballads, acoustic songs and country hits.
